

Are Catholics Preoccupied With Mary?

Are Catholics Obsessed With Mary?

Does The Catholic Religion Over-Emphasize Mary At The Expense Of The Lord Jesus Christ?

Catholics won't admit this, but in Catholicism, Jesus is subordinate to their unbiblical deified version of Mary. That's why they pray to Mary because she has authority over Jesus (though they don't say this directly, only indirectly) because they are taught that the Catholic Mary can get Jesus to do things He might not ordinarily want to do, regarding answering the prayers of Catholics. Catholics are taught that the Catholic Jesus always obeys the Catholic "Mother Mary" and in fact, they are taught that Mary is THEIR mother also, their spiritual mother.

Do you think it is fair to say that Catholics are more preoccupied with Mary than with Jesus? Well let's see.... Here are some titles Catholics have for Mary... 363 titles[1]!!! Absolutely unbelievable!!! And I am sure there are some titles missing for this man-made Catholic version of Mary that Catholics have been told is the Mary of the Bible. — *RM Kane*

A Picture Of YOU On Judgment Day

**The Bible says there are only 2 kinds
of people as far as God is concerned:**

the saved and the damned

What kind are you?

Will YOU be among the lost, among those sinners who never repented, who never received the Lord Jesus Christ as their Savior... their Savior from Hell and damnation, for their lifetime of sin? Are you among those who think your good deeds will outweigh your bad deeds? Do you think Hell will be one big party with all your friends? Do you think religion is for fools, a crutch for those who can't handle life without hope in a god bigger than themselves? Are you thinking that this life is all there is and then when you die, you cease to exist? Well if any of those things describe YOU, than you can surely expect to be among those you say:

**"The harvest is past, the summer is ended, and we are not saved"
[Jeremiah 8:20]**

I urge you to spend some serious time reading the Bible to find out about the God who will judge you on Judgement Day for your lifetime of sins. If you don't repent and trust Jesus before you die, God will judge every sinful

thought, word and deed of your entire lifetime... and you will be found guilty... and it will take all eternity in Hell to pay for those sins - if you have to pay for them yourself. Seek God's gracious sinless sin-bearer, the Lord Jesus Christ, while you still have time... and bear in mind, that tomorrow may be too late!

What It Will Be Like For Those Who End Up In Heaven

This is what it will be like for those who end up in heaven:

BEAUTIFUL FELLOWSHIP with their blessed Redeemer - Jesus Christ - who suffered and died for all their awful sins.

EXTREME JOY & GLADNESS that there will be no sin in them or around them any longer, no more taking of our Lord's name in vain, no more ungodly thoughts or speech or actions.

WONDERFUL COMPANIONSHIP with all the godly saints who died before them, who love God and His laws as they do and who hate sin as God hates it.

AWE & WONDER for the holiest Being in the Universe, God Almighty, the Alpha and Omega, the Lord of Hosts, the King Of Glory, who did something for man that man could never do for himself, pay the awful penalty for sin that we could only pay if we were to spend eternity in hell.

IMMENSE GRATITUDE for God's grace and mercy for having saved them from eternal wrath in Hell at such a terrible price to Himself - the sacrifice of His beloved Son, Jesus.

PREOCCUPATION WITH BEING IN THE PRESENCE OF such a holy, righteous, and sinless Creator who came up with such a glorious plan of salvation that showed His love and mercy in the most powerful way imaginable.

PRAISE, WORSHIP AND SINGING to God about His incredible love for saved sinners like them.

UNENDING THANKFULNESS for the opportunity to serve and worship such a gracious God and Savior for all eternity.

Do you think you will want to be in a heaven like this?
Do you think God will want you there?

This is what you can expect when you leave this world if you are not ready for heaven:

“And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood; And the stars of heaven fell unto the earth, even as a fig tree casteth her untimely figs, when she is shaken of a mighty wind. And the heaven departed as a scroll when it is rolled together; and every mountain and island were moved out of their places. And the kings of the earth, and the great men, and the rich men, and the chief captains, and the mighty men, and every bondman, and every free man, hid themselves in the dens and in the rocks of the mountains; **And said to the mountains and rocks, Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb: For the great day of his wrath is come; and who shall be able to stand?**” [Revelation 6:9-17]

Summary:

Friend, if God has not made you ready for heaven, to the point where you long to be in a sin-free world and in permanent fellowship with a HOLY GOD who hates sin, then you will be among those mentioned above who will be screaming for the rocks to fall on you to hide you from God’s wrath. That is why the Bible urges sinners to seek the Lord while He may be found and to call upon Him while He is near. — *RM Kane*

How To Reduce Your Exposure To Microwave Radiation In Your Home

There is a health issue that most people don't think about these days and that is: microwave radiation from all the wifi and bluetooth devices we use, all day, every day. That radiation can be very hazardous to your health! See the article listed at the bottom of this article for more information about those health hazards.

This is all the stuff I got rid of that had been emitting microwave radiation in my home:

1. wireless computer mouse... switched back to wired mouse.
2. wireless computer keyboard... switched back to wired keyboard.
3. cordless phone for my land-line... switched back to a corded phone with a long phone cord. Are you in love with your super-portable cordless phone? You won't be after you watch this: Does A Cordless Phone Give Off Radiation?
4. cell phone... it's only on when making outbound calls while outside the home ... i.e. on the road... and it is NOT 5G capable, only 4G-LTE, which uses lower, safer microwaves to send and receive phone calls.
5. wifi router... I replaced it with an older "network switch" that only uses ethernet cables. NOTE: turning off the wifi function on a wifi router does not necessarily turn off the radiation. It may just stop the router from accepting requests for data from your wifi devices. So if your wireless device "sees" your wifi router even when you have the router's wifi function disabled, then you know that the radiation is still present.
6. android tablet... I keep the wifi off and now use an ethernet cable to hook it to my WIRED home network via an adapter in the tablet's USB-C port. Yes, I know that doing this inhibits the portability of such devices. That's the

tradeoff for protecting your brain cells from being fried. If you crave portability then you are craving fried brains and other forms of microwave-induced cancer.

7. wifi capable printer... I connected it to my home network with an ethernet cable.

8. wireless headphones... I only use wired headphones now.

9. microwave oven... I use a hot water kettle or toaster oven or regular stove instead. In the winter, I sometimes use my wood stove.

10. I keep wifi and blue-tooth features turned off on my computers and other wifi-capable devices too.

This list above is by no means complete. I have used an RF/EMF radiation meter in my home and found that even LED light bulbs give off certain types of radio-frequency or electro-magnetic radiation, though I do not know how dangerous that radiation is. But from what I have read about LED lights, it is the bluer lights that can cause problems to your eyes, your retina in particular. Here is more information about that:

[Are LED Lights Safe? A Look at Radiation, Blue Light and Other Potential Risks](#)

This world sure is getting to be a dangerous place to live in, is it not?

If you need any incentive to actually DO something about RF and EMF radiation health hazards, I offer you this article to chew on:

I've documented all sorts of problems with the microwave signals put out by all types of modern electronic devices - including from cell towers - in this article:

When You Die Don't Worry About Your Body

WHEN YOU DIE, don't worry about your body... your relatives will do whatever is necessary according to their possibilities. They will take your clothes off, wash you, dress you, take you out of your house and take you to your place of burial. Many may come to your funeral to "say goodbye." Some may even cancel commitments and miss work to go to your funeral. Your belongings, even what you didn't like to lend, will be sold, given away or thrown out with the garbage. Your keys, your tools, your books, your CDs, your DVDs, your photos, your shoes, your clothes, your vehicles, your house...

And rest assured that the world will not stop for you. The economy will continue. In your job, you will be replaced. Someone with the same or better capabilities will take your place. Your assets will go to your heirs... And do not doubt that you will continue to be cited, judged, questioned and criticized for the small and great things you did in life. People who knew you only by your appearance will say; Poor man or woman! Your sincere friends will cry for a few hours or a few days, but then they will return to their normal lives of fun & laughter.

Your animals will be given away and it will take time but they will get used to the new owner. Your photos will hang on the wall or remain on a piece of furniture for a while, but then perhaps they will be stored at the bottom of a drawer. And we will only live in the memory of those who loved us. Someone else will sit on your couch and eat at your table. The deep pain in your house will last a week, two, a month, two, a year, two... Then you will be added to the memories and then, your story is over. It ended up among people, it ended up here, it ended up in this world. But begin your story in your new reality... in your life after death. Your life where you couldn't move with the things from here because, when you left, they lost the value they had.

Good Looks

Notoriety

Comforts

Financial Assets

Property, Houses, Land

Vehicles

Titles & Degrees

Medals, Awards, Trophies

Friends, Spouse, Children, Family

In your new life you will only need your soul. Things of eternal value that you have accumulated here will be the only fortune you will have in the next life.

When you live a life of love for God, love for others and peace with your neighbors, you are amassing your spiritual fortune. That's why you should try to live fully, be content, be sold out for God and be preoccupied with helping others, while you are here, especially helping others to know about the God

who rules and reigns in Heaven and who is the final Judge of those who leave this world. Because, "From here you won't take what you have. You'll only take what you gave."

The big question for all of us is: Do we know where our soul is going after this life is over?

Jesus said: *"I am the way, the truth, and the life: no man cometh unto the Father, but by me."* (John 14:6)

Notice that Jesus did not say you could get to heaven anyway you wish or that all religions lead to heaven or that you only need to be a good person and make sure that your good deeds outweigh your bad deeds. No. Jesus is God. He RULES and REIGNS over Heaven and Earth. It is HIS LAWS that we violate when we sin. The Bible is clear that no one can see the kingdom of God unless they are born again - that is, spiritually born into God's family: *"Jesus answered and said unto him, Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God."* (John 3:3).

The Bible declares in Revelation 21:8 who will go to hell: *"But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death."* Those who go to hell are specifically those who do not believe in Jesus as their Savior and who are trusting in their own goodness to get to heaven. Our own goodness can never take away a single sin of ours. God only accepts one and only one payment for sin - the sacrifice of the Lord Jesus Christ on the cross 2,000 years ago. Do YOU see yourself as sinful as God sees you? Are you willing to trust in Jesus alone for your salvation so that on Judgment Day you won't be cast into Hell? Have you cried out to God to have mercy on your eternal soul?

The Bible says: *"For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. For God sent not his Son into the world to condemn the world; but that the world through him might be saved. He that believeth on him is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God."* (John 3:16).

"For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord" (Romans 6:23).

"Believe on the Lord Jesus Christ, and thou shalt be saved" (Acts 16:31)

What are you living for? Are you living for money, fame and pleasure? One day, we will all leave this world behind for good. Because of our sin, we will meet a holy and just God on Judgment Day. You will want to RUN from Him if you are not ready to meet Him. The Good News is that Christ has paid for the sins of those who trust in him ALONE for their salvation from sin and from its eternal consequences in hell.

**“Some trust in chariots, and some in horses: but we will remember the
name of the Lord our God.” Psalm 20:7**
